

AMENDMENTS TO THE DRAWINGS:

The attached drawing sheets include amended and marked up versions of Figure 8A. Figure 8A has been amended so that Figure 8A is in conformity with circuit diagrams of Figure 6A and 6B.

Attachments: Marked up version of Figure 8A (Appendix A)

Clean version of amended Figure 8A (Appendix B).

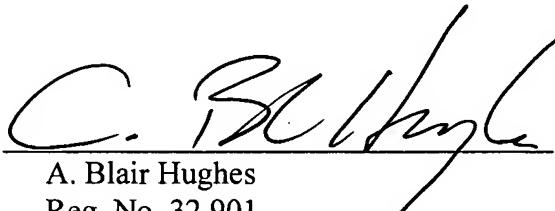

REMARKS

Claims 1-18 are pending in the application. The claims have been amended primarily to remove multiple dependencies, to remove drawing designations and to clarify what is that the Applicant's regard as their invention. The claim amendments above are believed to broaden the pending application claims. In addition, appropriate headings and an Abstract have also been added to the application in this Preliminary Amendment. Also, minor amendments have been made to the specification and to Figure 8A to bring the specification and Figures into conformance with one another.

No new matter has been added to the application by way of these specification and claim amendments.
